

Dear Dr. Reed,

I would like to sincerely express my gratitude for you sponsoring my stethoscope!. My name is Amanda Key, and I am an incoming medical student from Albuquerque New Mexico. I knew when choosing TTUHSC School of Medicine that they cultivated an atmosphere of collaboration and empathy along with academic competence that is crucial in the medical field. I hope to take this stethoscope with me throughout my practice in becoming a physician. It will always serve as a reminder of the help I have received from generous donors such as yourself to get to this point. I hope to one day be able to give back as you have done.

*Sincerely,
Amanda Key*
