*I want to thank you for sponsoring my stethoscope. My name is Allen Fellers, and I am an incoming medical student from Houston, Texas. Receiving that stethoscope through your donation made it all the more real to me that I am beginning an incredible and new journey. Seeing the TTUHSC logo on the stethoscope reminded me that I am truly blessed to be here and this school and faculty will be my home for many years to come. I am so thankful for the warm welcome and opportunity to join you all. Your generosity of the School of Medicine Stethoscopes for Students is greatly appreciated.*

*My name is Jocelin, and I am an incoming medical student from Seminole, Texas. Thank you for supporting the School of Medicine Stethoscopes for Students program. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I went to TTU for undergrad and loved both the school and the community, so it wasn't a hard decision whenever I matched with TTUHSC to choose to stay here in Lubbock. I am so excited to begin my journey to becoming a physician. Thank you again for your support.*

*Dear President Rice-Spearman,*

*My name is Shivani Dalal and I am an incoming medical student from Burleson, Texas. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I chose TTUHSC because of the FMAT program. My interviews really showed me how invested the faculty at TTUHSC are in primary care and Family Medicine more specifically. I felt like this investment would allow me to become the best physician possible. Thank you again for your support in helping me reach my goals.*

*Sincerely,  
Shivani Dalal*
