

Dear Dr. Risinger,

I would like to sincerely express my gratitude for the gift of a stethoscope. This stethoscope is an honor to me and reminds me of the journey I am beginning to make a difference in people's lives. Thank you for your support of the School of Medicine and Stethoscopes for Students.

Dear Dr. Risinger,

My name is Blayne Fenner, and I am an incoming medical student from Missouri City, Texas. Thank you for supporting the School of Medicine Stethoscopes for Students. Your generosity allowed me to receive a TTUHSC branded stethoscope this year, and I love it! I am excited to begin this chapter of my life and work towards earning my MD. Several factors played a role in my journey towards medicine including my own hypochondriac tendencies and being inspired by other physicians. I aspire to become an oncologist who will provide a comforting environment to my patients during an unfamiliar time. Thank you again for your support!

*Sincerely,
Blayne Fenner*
