

*Dear Dr. Robertson,*

*My name is Kailee Ramírez, and I am an incoming medical student from Devine, Texas. As a little girl, I always thought watching my grandpa who was a vet was the absolute coolest when he put his stethoscope on. I always played with his growing up and dreamed of having my own one day. Getting one from TTUHSC during the white coat parade was a dream come true, and I cannot thank you enough for giving back to first year medical students like me. After years of hard work I'm so excited for this new journey to begin.*

*Sincerely,  
Kailee Ramírez*

*Dear Dr. Robertson,*

*I want to sincerely thank you for sponsoring my stethoscope. This symbolic gift is one that I will cherish for my life. My name is Harikrishan S. Sachdev, and I am an incoming medical student from Laredo, Texas. Receiving the gift of a stethoscope represented my commitment to becoming a physician and the community's support in my journey. I consider myself to be very fortunate to have yours and the community's support on this journey. Your generosity of the School of Medicine Stethoscopes for Students program is greatly appreciated.*

*Sincerely,  
Harikrishan Sachdev*

*Dear Dr. Robertson,*

*My name is Allee Nix, and I am an incoming medical student from Liberty Hill, Texas. I was accepted to TTUHSC School of Medicine almost two years ago in conjunction with an Early Admission Program at Angelo State University. All of this to say I've been looking forward to proudly wearing my student white coat and stethoscope for a while now. Thank you for your support of the School of Medicine and Stethoscopes for Students program.*

*Sincerely,  
Allee Nix*

Dear Dr. Robertson,

*Thank you for supporting the School of Medicine Stethoscopes for Students program. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I have dreamed of this day for such a long time, and I cannot believe that it's finally here! I want to be a doctor so that I can be a liaison for the people of my community-in healthcare and in the civil realm as well. I am grateful to be here and am thankful for your donation.*

*Sincerely,  
Diego Rielo*

*Dear Dr. Robertson,*

*My name is Christopher Wilhelm, and I am an incoming medical student from Amarillo, Texas. Thank you for supporting the School of Medicine Stethoscopes for Students program. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I chose to attend TTUHSC because of the great commitment the school has to West Texas and for the friendly environment that is noticeable on Day 1. I cannot wait to begin my journey in medicine at this great school. Thank you again for your support.*

*Sincerely,  
Christopher Wilhelm*
