

Dear Dr. and Mrs. Robinson,

Hello! My name is Samantha Brown, and I am an incoming medical student from Southlake, Texas. Sharon and I have met on a number of occasions, and she has always been an amazing cheerleader and motivator in my journey to medical school! I wanted to thank you both for supporting my dream to pursue medicine by providing the School of Medicine stethoscopes for students. Your overflowing generosity allowed me to receive a TTUHSC branded stethoscope this year. Thank you again for your generosity and support!

*Sincerely,
Samantha Brown*
