

Dear Dr. Samuels,

I want to thank you for the gift of a stethoscope. My name is Brandon Couch, an incoming medical student from Argyle, Texas. Receiving the stethoscope made me realize that I was finally starting my journey through medical school to become a physician. All of my life, it has seemed so far away. However, the white coat and stethoscope let me know that it was actually here. Your generosity to the School of Medicine and Stethoscopes for Students is greatly appreciated.

*Sincerely,
Brandon Couch*

Dear Dr. Samuels,

My name is Jacob Dunn, an incoming medical student from Murfreesboro, Tennessee. Thank you for supporting the School of Medicine Stethoscopes for Students program. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I decided to become a physician in order to become a servant to my future community. I hope to become the type of physician that cares deeply for those I am serving and your support makes that possible. Thank you again for your help!

*Sincerely,
Jacob Dunn*
