

*Dear Dr. Schutze,*

*I want to thank you for the gift of a stethoscope. My name is Kelsey Sprinkles, and I am an incoming medical student from Little River Academy, Texas. Receiving the stethoscope that you donated was such a warm way to be welcomed into the TTU HSC School of Medicine family. It was the first of many moments when my long time coming dream began to feel more like a reality. In such uncertain times being gifted that stethoscope was a tangible representation of the support that Texas Tech provides its students and that we are navigating this unique year together.*

*Sincerely,  
Kelsey Sprinkles*
