

*Dear Dr. Sullivan,*

*I want to give a huge thank you for the gift of a stethoscope. My name is Zach Griffin, and I am a first year medical student from Austin, Texas. Before I started school here at TTUHSC School of Medicine, there was a long laundry list of things that I had to complete and it felt incredibly overwhelming. Being able to say that I at least had one small thing covered made me feel as if someone already supporting me and had my back. Your generosity of the School of Medicine Stethoscopes for Students is greatly appreciated and made a bigger difference than you may realize so thank you again very much!*

*Sincerely,  
Zach (Robert) Griffin*

*Dear Dr. Sullivan,*

*I want to thank you for the gift of a stethoscope. Receiving this stethoscope is a great rite of passage for all medical students. It made me feel very happy to be in a supportive and loving environment for the next four years. Your generosity of the School of Medicine Stethoscopes for Students is greatly appreciated.*

*Sincerely,
