Dear Dr. Robinson,

I want to thank you for the gift of a stethoscope. My name is Bayli Davis, and I am an incoming medical student from Nacogdoches, Texas. I dreamed of getting into medical school since I was a little girl and receiving this gift was one of the most special moments of my life. It brought tears to my eyes as it represented all my hard work paying off. Your generosity of the School of Medicine Stethoscopes for Students is greatly appreciated.

*Sincerely,
Bayli Davis*
