

Dear UMC Health System,

Hello! I want to thank you for my stethoscope. My name is Elizabeth Eichman, and I am an MS1 student from Austin, Texas. Receiving a quality brand new stethoscope made me feel very excited & make medical school feel more "real" as we enter into such odd times of virtual education. Thank you for supporting me as I start this new journey in life!

*Sincerely,
Elizabeth Eichman*

Dear UMC Health System,

I want to thank you for the gift of a stethoscope. My name is Alex Sutter, and I am an incoming medical student from Keller, Texas. Receiving this stethoscope further conveyed the sense of community present in Lubbock and made me even more excited to attend medical school here. Your generosity of the School of Medicine Stethoscopes for Students is greatly appreciated.

*Sincerely,
Alex Sutter*

Dear UMC Health System,

Thank you for sponsoring my stethoscope. My name is Drew Brownell, and I grew up in Burlington Washington. Receiving this stethoscope made me feel very excited and appreciative towards you and all others who have helped me get to this point. I will not forget your generosity as I begin my journey of being a physician.

*Sincerely,
Drew Brownell*

Dear UMC Health System,

Thank you so much for providing me with a TTUHSC stethoscope. My name is Hannah Jones, and I am an incoming medical student from Austin, Texas. I was so excited to receive my stethoscope and it truly made the start of my medical school journey feel real. I cannot wait to put it to use. Thank you for assisting me and so many others as we begin this journey.

*Sincerely,
Hannah Jones*

Dear UMC Health System,

My name is Hazael Hernandez, and I am an incoming medical student from El Paso TX. I feel deeply humbled and honored to be receiving a beautiful piece of equipment which will be with me for the entirety of my medical training and will eventually help me treat patients in the community which supported me so I could be here today. There is no better feeling than obtaining this stethoscope at the beginning of my journey in healing and it reminds me to always remain grateful to those whom I would not be here without and focused on my duties to medicine.

*Sincerely,
Hazael Hernandez*

Dear UMC Health System,

I want to thank you for the providing me with my stethoscope. My name is Jaxon Baum, and I am an incoming medical student from Argyle, Texas, a small town outside of Fort Worth. Receiving my stethoscope along with my white coat gave me a sense of reality and permanence as a medical student at TTUHSC. This will truly be a cherished and useful item for years to come.

*Sincerely,
Jaxon Baum*

Dear UMC Health System,

I want to thank you for the gift of a stethoscope. My name is Julie Essick, and I am an incoming medical student from Boerne Texas. I now feel empowered in my role of future physician with this school branded stethoscope and I'm humbled to receive it. Thank you for believing in me and the rest of my medical school class.

*Sincerely,
Julie Essick*

Dear UMC Health System,

Thank you so very much for my stethoscope! My name is Meredith, and I am an incoming medical student from Austin, Texas. Receiving a TTUHSC branded stethoscope is incredibly special. Dear UMC Health System,

Thank you for providing me with a TTUHSC stethoscope to start medical school with. Receiving this stethoscope is a great rite of passage for all medical students. It made me feel very happy to be in a supportive and loving environment for the next four years. Each of us who received a UMC sponsored stethoscope are grateful for your support so early in our career.

*Sincerely,
Andi Hutto*

Dear UMC Health System,

My name is Madison McLain, and I am from Amarillo Texas. I would like to sincerely express my gratitude for you sponsoring my stethoscope. This stethoscope is an honor to me and reminds me of the journey I am beginning to make a difference in people's lives. It means so much to me knowing an alumni is supporting me even before I start school. Thank you for supporting us even before we begin medical school

*Sincerely,
Madison McLain*

Dear UMC Health System,

I cannot say thank you enough for sponsoring my stethoscope. My name is Alexandra Demopoulos, and I grew up in Santa Barbara, California. I am so honored and excited to use my stethoscope this year as I learn how to take vitals and complete a physical exam. I will remember your generosity as I study at TTUHSC.

*Sincerely,
Alexandra Demopoulos*

Dear UMC Health System,

Thank you for my TTUHSC stethoscope, I was so excited to open the box and see that UMC has donated it to me! My name is Andrew Alfaro, and I am from Katy Texas. I plan to use this stethoscope as I begin my coursework this upcoming year. Your donation was very generous, and I profoundly appreciate it. Your generosity will be remembered when I have a chance to one day give back to TTUHSC.

*Sincerely,
Andrew Alfaro, Andrew*

Dear UMC Health System,

My name is Bridget Boeger, and I recently moved to Lubbock from St. Louis, Missouri. I plan to use this stethoscope throughout my medical career. While I am undecided about what type of medicine I am interested in, I know that this stethoscope will enhance my education throughout medical school. I am humbled by this opportunity to pursue my life long dream of becoming a physician and thank you for your assistance in this dream.

*Sincerely,
Bridget Boeger*

Dear UMC Health System,

My name is Caleb Hawkes, and I grew up in Madison, South Dakota. I recently moved to Lubbock for medical school and have been so welcomed! I can't wait to use this stethoscope that you so graciously donated to be able to serve others in the community! I've been looking forward to being a doctor for so long I'm excited that it's finally here.

*Sincerely,
Caleb Hawkes*

*Sincerely,
Michelle Onuoha*

Dear UMC Health System,

I would like to sincerely express my gratitude for the gift of a stethoscope. My name is Simone Spielmann and I am an incoming medical student from Dallas Texas. I hope to use this stethoscope to start learning to take care of my patients early on and to develop the skill and capacity for human connection it takes to be an excellent physician. Thank you for your support of the School of Medicine and Stethoscopes for Students.

*Sincerely,
Simone Spielmann*

Dear UMC Health System,

My name is Zack Lujan, and I just moved here from Amarillo. Thank you for my stethoscope. This tool will be vital in my learning of the proper techniques of auscultation probably one of the most important aspects of examining a patient. Once I graduate, I hope to practice in West Texas and serve our communities, just as the ones I've spent my entire life in.

*Sincerely,
Zachary Lujan*

Dear UMC Health System,

My name is Zane Boerner, and I just moved to Lubbock from Colorado to attend TTUHSC! I plan to use this stethoscope to begin my formal medical education journey. It will allow me to practice skills that will serve me long into my career, and skills that are so foundational for me as a future physician. Thank you for giving me such a useful tool as I begin this journey.

*Sincerely,
Zane Boerner*

I feel like this is really a family learning environment and I am very excited to start this journey. This stethoscope marks the beginning of this journey for me. Thank you again for this wonderful gift!

*Sincerely,
Addie Pederson*

Dear UMC Health System,

My name is Alisa White and I am from Arlington, Texas. In my daily devotional book the principle that I read about the day that I received your gift was "service." In reflecting on service I read about how service is a mechanism by which love becomes passion and ultimately the betterment of a community. Receiving this stethoscope really spoke to me as a testament to this. Thank you for demonstrating such love and care for future medical professionals like me.

*Sincerely,
Alisa White*

Dear UMC Health System,

My name is Ann McGinnis an incoming medical student from Plano Texas. For years my dream has been to attend medical school to pursue my passion of becoming a Pediatrician. When visiting TTUHSC, I realized that this campus is the perfect environment to pursue my dreams. I fell in love with the welcoming and friendly students and faculty the incredible opportunities available and strong sense of community. I cannot wait to embark on this enriching and fulfilling journey at TTUHSC.

*Sincerely,
Ann McGinnis*

Dear UMC Health System,

My name is Anna Sabu Kurian an incoming medical student from Houston Texas. I know the education here allows me to grow into a physician my community would be proud of. Thank you for providing me with such a wonderful gift, and I cannot wait to use it during my training to be the best physician I can be.

*Sincerely,
Anna Sabu Kurian*

Dear UMC Health System,

My name is Brianna Wolkober, and I am an incoming medical student from Bristol, Wisconsin. This stethoscope will accompany me down my exciting journey toward becoming a physician. My medical degree will provide many opportunities outside of improving people's physical well-being. Coming from a rural town, I want to speak to other rural high school students about the various careers available to them in these fields.

*Sincerely,
Brianna Wolkober*

Dear UMC Health System,

My name is Dakota Tolleson, and I am from from Wichita Falls, Texas. I chose to attend medical school so that I can be a force of good in the lives of members of my community. *Sincerely,
Dakota Tolleson*

Dear UMC Health System,

My name is Easton Brewer, and I just moved to Lubbock from Gig Harbor, Washington. I chose to attend medical school because I wanted to be able to impact an underserved community. I don't know what community that will be but I am excited to always be able to use my TTUHSC stethoscope and represent TTUHSC wherever I may practice. Thank you for your gift and your support! Guns up!

*Sincerely,
Easton Brewer*

Dear UMC Health System,

My name is Evan Andrew Bradshaw and I am from Frisco, Texas. I chose to come to TTUHSC in large part because of the sense of community and the massive support the school gives the students. You sponsoring my stethoscope shows how true that is! I cannot wait to use my stethoscope in my training, and will represent TTUHSC and UMC well.

*Sincerely,
Evan Bradshaw*

Dear UMC Health System,

My name is Hector García and I am an incoming medical student from Houston Texas. Thank you for supporting the School of Medicine Stethoscopes for Students. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I am interested to pursue a career in the healthcare industry because it's a field of life-long learning and the job can directly impact people's lives. The balance of empathy courage and knowledge are essential to provide patient care. Being a physician can be very rewarding because it is an opportunity to help others when they needed the most. Patients share their deepest concerns and that helps develop trust in the patient-physician interaction

*Sincerely,
Hector Linares García*

Dear UMC Health System,

My name is Jordan Curl, and I grew up in Bridge City, Texas. Thank you for my stethoscope, I cannot wait to use it! I originally decided to pursue a career as a physician after my mother was diagnosed with breast cancer. Her doctors saved her life and my family, and I hope to be able to have that same positive impact on countless families someday. Thank you again for your support.

*Sincerely,
Jordan Curl*

Dear UMC Health System,

My name is Julie Chugh, and I am from Houston, This investment into my future means the world to me and will not be taken lightly. I look forward to my next four years at TTUHSC and to learn from some of the most inspiring physicians and educators and alongside some of the most passionate students. Becoming a physician and dedicating my life to serving others has been a dream of mine for a long time now. I am so grateful to get started! Thank you again for your support.

*Sincerely,
Julie Chugh*

Dear UMC Health System,

My name is Katherine Coody, and I am from Colorado! Thank you so much for my stethoscope. When I found out I was accepted, I soon realized I would spend quite a bit on supplies, and you have taken a massive burden off my shoulders by gifting me this tool. I am excited to start medical school and promise to represent UMC well in my studies. Thank you again for such an amazing gift.

*Sincerely,
Katherine Coody*

Dear UMC Health System,

My name is Kiana Banafshay, and I grew up in the Houston area. Attending medical school has always been my dream, and this stethoscope serves as the tangible representation of my dream coming true. Dear UMC Health System,

My name is Mallory Seemann, and I grew up in Littleton, Colorado. I was pleasantly surprised when we were told that we would be receiving this gift at our drive through white coat ceremony, and when I opened the box which contained the stethoscope, it made me feel as if my journey into medicine was officially starting. Thank you for providing me with such a useful tool as I begin my medical education, I cannot wait to use it!

*Sincerely,
Mallory Seemann*

Dear UMC Health System,

My name is Morgan Shreve, and I am so excited to be starting medical school!. Thank you for my stethoscope. This is a tremendous gift to receive because of cost and the symbolism of a stethoscope. Thank you for starting my journey into providing the best care possible for patients. I won't forget your contribution! Thank you again for your support, and I will remember it throughout my time at TTUHSC.

*Sincerely,
Audrey Shreve*

Dear UMC Health System,

My name is Taha Jilani, and I am from Spring, Texas. I chose to attend medical school and pursue the path of a physician in order to positively impact patient's lives. Living with a congenital heart condition I experienced early on just how impactful a physician and the field medicine can be to a person's life. Due to this, I see becoming a physician as a great opportunity and privilege to make a difference by passing on this impact to the lives of my future patients. Thank you again for your support.

*Sincerely,
Taha Jilani*

Dear UMC Health System,

Thank you so much for my TTUHSC stethoscope and UMC clip! I am so excited to be at TTUHSC and begin working towards my goal to a physician. This stethoscope is the first step in allowing me to achieve this goal. I will wear my stethoscope and clip with pride, and promise to represent TTUHSC and UMC well. Thank you again for your support.

*Sincerely,
Shivam Bhakta*
