

*Dear Dr. Walker,*

*I want to thank you for the gift of a stethoscope. My name is Kenna Provost, an incoming medical student from Spring, Texas. I am blessed to receive such a beautiful gift from an alumni. I hope to use this stethoscope to care for patients at the Free Clinic this year and throughout my time at TTUHSC. Your generosity of the School of Medicine Stethoscopes for Students is greatly appreciated.*

*Sincerely,  
Kenna Provost*

*Dear Dr. Walker,*

*My name is Shakira Meltan, an incoming medical student from Austin, Texas. Thank you for supporting the School of Medicine Stethoscopes for Students. Your generosity allowed me to receive a TTUHSC branded stethoscope this year. I am so honored to be a part of this program. After speaking with faculty and visiting campus, I felt so welcomed. The fact that school is connected to two hospitals play a very important part in my decision. Additionally, the cost of attendance at this campus is one of the lowest in nation. Thank you again for your support.*

*Sincerely,  
Shakira Meltan*
