

Dear Dr. Warmoth,

I want to thank you for the gift of a stethoscope. My name is SivaTeja Pati, and I am an incoming medical student from Houston, Texas. I knew that both the faculty and my peers supports my success as a physician, but I find it reassuring that alumni such as yourself from 1992 are still supporting the future physicians of 2020. Your generosity of the School of Medicine Stethoscopes for Students is greatly appreciated.

*Sincerely,
Sivateja Pati*
