State law requires that each student identify any relation to a current Board of Regent member. A student who is related to a current member of governing board of that institution is prohibited from receiving scholarships unless the scholarship is awarded exclusively based on academic merit or is an athletic scholarship. It is a Class B misdemeanor to file a false statement. Please review a list of current Texas Board of Regent members at <http://www.texastech.edu/bor/> and then select the most appropriate answer below indicating your relation to any of the Board of Regent members.

Yes, I am related to a Regent

No, I am not related to a Regent
