

2019 CTNT 4th Annual Symposium

The 4th Annual Symposium for the Center of Excellence for Translational Neuroscience and Therapeutics (CTNT) took place on Thursday, April 11, 2019 with a Keynote Presentation by Dr. Catherine Bushnell. This year's event was a collaborative event with the Integrative Medicine Symposium which took place on Friday, April 12, 2019 and featured Keynote Speakers, Dr. Margaret Chesney and Dr. Bruce Watkins. The two day, collaborative event also included a panel discussion, inter-professional interactive workshops, poster presentations, and an art exhibit.
