

Lori Rice-Spearman, Ph.D.

What is this event?

0:06

We are here to celebrate the best and the brightest at the Texas Tech Health Sciences Center faculty.

What award was given today?

0:13

So our system the highest award that they bestow upon our faculty are the Chancellor's awards. And those awards really recognize our faculty in the areas of teaching and research. And these faculty have national and international reputations. And so it's really an opportunity for us to say thank you for committing your career to our institution, and recognizing their outstanding achievements.
