

This is a virtual check-in visit. I want to cover a few points before we start. The purpose of this visit is to assess and treat your medical condition. We must rely on your accurate and complete information to provide appropriate care over the phone. It is not anticipated, however, technical difficulties such as an interruption to our call may occur. You can ask questions and seek clarification at any time, and we can stop the visit at any time. You will be responsible for your copay and it will be billed on a later date. This call is not being recorded.

Do you have any questions?

Do you understand and consent to proceed?
