ⁱ TTUHSC Finance & Administration instructions about how to request the USCIS filing fee checks for immigration filings are found in [TTUHSC Job Aids](#). Please review Job Aids # 4, #5 and #6.

For information about the nonimmigrant and immigrant filings that TTUHSC will undertake, please visit our website at <http://www.ttuhsc.edu/hr/IES-LCA.aspx>. Most immigration filings are time-sensitive and IES advises all hiring departments to review the filing requirements and time deadlines on a regular basis. If you have additional questions after reviewing the IES website, please contact our office at (806) 743-2865; email IES@ttuhsc.edu or in-person Rm 1B116 (Lubbock campus).

ⁱⁱ International employees who obtain a visa from a US Consulate may have to pay both an application fee and a visa reciprocity fee based on country reciprocity agreement with the USA. See, [Visa Reciprocity Fee by Country](#).

ⁱⁱⁱ Port of entry fee information for TN status employees who are citizens of Canada or Mexico can be found at <https://travel.state.gov/content/visas/en/employment/nafta.html>.

^{iv} With payment of the USCIS Premium Processing Fee, USCIS guarantees a response to the immigration filing within 15 calendar days of receipt. If USCIS fails to respond (decision, request for additional information, etc.) within 15 calendar days, the \$1225.00 premium processing fee is refunded.

^v On July 30, 2007 USCIS adopted a flat fee for the I-485 application process. The fees for the I-765 (EAD) and I-131 (Advance Parole) are waived if those applications are filed along with the I-485. When filed in this bundled format, the applicant pays a total fee of \$1225.00. The fee includes the biometrics fee of \$85. Children, under the age of 14 who file along with the primary applicant, pay only a fee of \$750.00. The international employee is responsible for all I-485 fees and related fees for dependent family members also seeking permanent residence status. The hiring department may pay the I-485 fees or they may be paid by the international employee. The department has no obligation to pay USCIS fees for family members or the employee. If the department chooses to pay these fees, the payment is considered taxable income to the employee. TTUHSC employees should also review IES' [I-485 Memorandum](#) for additional information on the forms and documents needed for this filing.

^{vi} When necessary and permitted by immigration law, TTUHSC will continue to extend the H-1B status of all international employees for whom a permanent residence petition has been filed until the permanent residence card is approved. Immigration regulations only extend this benefit to a person in H-1B status. TTUHSC employees in other visa categories cannot get this benefit.

^{vii} Employees are free to use the academic evaluation company of their choice and may provide a copy of a prior evaluation by a US academic evaluation company. Academic evaluations done by US companies do not expire. The department may request that IES arrange for an academic evaluation on the employee's behalf, at the department's expense. In those situations, IES will provide the employee with the original academic evaluation report and keep a photocopy in the immigration file.
