**Potential SOPAA Board Member Nomination Form**

Board members currently include:

Mallory McGarry	Chair	Class of 2014
Jennifer Nelson	Chair-Elect	Class of 2003
Antonia (Toni) Edgar Viella	Immediate Past-Chair	Class of 2011
Latisha Tomlinson	Treasurer	Class of 2007
Keenan Hamouie	Secretary	Class of 2014
Brandi Dahl	Board Member	Class of 2017
Vibin Thomas	Board Member	Class of 2014
Sarah Rivas	Board Member	Class of 2011

Nomination #1

Name	Address	City / State / Zip	Phone	Email
Ballard Saul	7628 S Soncy Rd Apt 737	Amarillo, TX 79119	806.217.1188	bsaul93@gmail.com
<b>Please explain how you know this individual and why she/he would be a good member. Include any relevant qualifications along with a copy of the nominee's CV/Resume.</b>	As a previous classmate of Ballard's, I watched him lead the class of 2018 through various projects, fundraisers, and events. He has always done a great job of connecting and collaborating with individuals at other campus locations to establish an organized and unified plan. I strongly believe Ballard's creativity, ability to effectively manage multiple tasks, and drive to get things done will be of great benefit to the SOPAA Board.			

Nomination #2

Name	Address	City / State / Zip	Phone	Email
<b>Please explain how you know this individual and why she/he would be a good member. Include any relevant qualifications along with a copy of the nominee's CV/Resume.</b>				

\* Nominee biography will be released for all other alumni to review during board member elections.

Potential SOPAA Board Member Nomination Form

Board members currently include:

Mallory McGarry	Chair	Class of 2014
Jennifer Nelson	Chair-Elect	Class of 2003
Antonia (Toni) Edgar Viella	Immediate Past-Chair	Class of 2011
Latisha Tomlinson	Treasurer	Class of 2007
Keenan Hamouie	Secretary	Class of 2014
Brandi Dahl	Board Member	Class of 2017
Vibin Thomas	Board Member	Class of 2014
Sarah Rivas	Board Member	Class of 2011

Nomination #1

Name	Address	City / State / Zip	Phone	Email
Tori Swenson	505 B Clinton Ave	Lubbock, TX 79416	505-307-8684	tori.j.swenson@gmail.com
Please explain how you know this individual and why she/he would be a good member. Include any relevant qualifications along with a copy of the nominee's CV/Resume.		I have personally known Tori since our first year of pharmacy school. Since that time I have continually been impressed with her determination to be successful in all of her endeavors, whether it be in her professional life or her personal life. She is continually striving to be the best person, friend, and pharmacist she can be. I know that if she were chosen for this honor, she would serve her fellow alumni to the best of her abilities. Through her organizational skills, attention to detail, and genuine desire to help others she will do great things for this organization and will help to lead our distinguished alumni into the future!		

Nomination #2

Name	Address	City / State / Zip	Phone	Email

Return nomination form to Brandi Dahl ([brandi.dahl@ttuhsc.edu](mailto:brandi.dahl@ttuhsc.edu)) by **Sunday, September 30<sup>th</sup>, 2018.**

The mission of the SOP Alumni Association is to promote the continuous development and training of practitioners, researchers, and educators. We do this by promoting the SOP and our profession; supporting our alumni via fellowship and networking; providing graduates with information on the SOP and opportunities to mentor students; and by engaging in activities to support scholarship for current students.

*Please explain how you know this individual and why she/he would be a good member. Include any relevant qualifications along with a copy of the nominee's CV/Resume.*

I'm thrilled to nominate 2010 Texas Tech School of Pharmacy graduate Amar Thakrar for membership into the SOP Alumni Association. Among many other qualifiers for this posting, Amar's educational history is rooted in the rich tradition of Texas Tech's pharmacy and business programs. In addition to earning a pharmacy degree, he was awarded a Bachelor of Business Administration and he was one of two graduates of the inaugural dual Pharm.D-MBA program in 2011.

Like the foundation of Texas Tech, Amar has always been focused on education, healthcare and connecting with and having a lasting impact on his community. I met Amar through family connections many years ago, I feel I helped influence him towards the study of pharmacy, I served as one of his mentors while he was in school, and I assisted in his professional development while we were both employed by Walgreens in the Dallas-Fort Worth area. Today we are business partners, co-founders and owners of ReNue Pharmacy, the four-location chain of specialty compounding pharmacies in the Dallas Metropolitan area.

Amar's MBA with the focus on Health Organization Management has served him well. I have always known him to be a leader, but once operating as a professional within the healthcare industry through Walgreens and now at ReNue, Amar continually demonstrates his passion for the practice of pharmacy, for the health and well-being of those in his care, and for the contribution pharmacists offer to collaborative healthcare teams working towards one purpose – improved patient outcomes.

Amar is driven to explore every opportunity that exists in pharmacy today, and he challenges himself to find more and more relevance for pharmacists in what we know as a constant variability and evolution of the healthcare industry. I feel Amar's greatest purpose, however, is connecting with patients: building valued and trusted relationships, and providing education focused on total health and well-being, with only one component of health being the medication.

Thanks you,

A handwritten signature in black ink, appearing to read 'Raj M. Chhadua', with a long horizontal line extending to the right.

Raj M. Chhadua, Pharm.D.

## EXECUTIVE PHARMACY OPERATIONS • PHARMACY OWNER

---

### PROFILE

A founder and owner of *ReNue Pharmacy*, the four-location chain of specialty compounding pharmacies in the Dallas Metropolitan area, responsible for the executive and strategic leadership of a dynamic, growing patient care business in today's transformative healthcare industry. An executive healthcare professional skilled in optimizing results and fiscal returns, working in collaboration with myriad partners and stakeholders, and creating a differentiated customer experience.

### KEY COMPETENCIES

- . Revenue Diversification
- . Collaborative Relationships
- . Operational Process Analysis
- . Recruiting and Development
- . Strategic Planning and Execution
- . Team Building and Engagement
- . Compliance, Adherence and Quality
- . Transition and Change Management
- . Risk Mitigation
- . Patient Advocacy
- . Specialty Pharmacy
- . Project Management

### CORE SKILL SETS

#### *Operational Leadership*

- In an environment of fluctuating payer relationships and network accessibility challenges, effectively establish four community pharmacies in four years through the execution of deliberate short- and long-term strategies and by building cohesive strategic community partnerships
- Provide value to the industry, maximize pharmacy effectiveness, and reach myriad patient populations by approaching care from two fronts: access through strong community footprints, and through collaborative relationships with three provider groups in Sherman, Central Dallas and South Dallas
- Ensure maximum fiscal results by focusing on operational excellence: team training and accountability, effective planning and review, deliberate product and service mix, workflow management, inventory controls, responsible vendor use, third party adjudication management, and risk mitigation

#### *Patient Care*

- Effectively manage the care of patients in a personalized, clinical-outcomes driven healthcare landscape by providing medication adherence counseling, compounding services, specialty medications and education, and nutraceutical offerings
- Strive for improved patient outcomes through the delivery of effective Medication Therapy Management services and by administering all recommended and required vaccinations, including travel immunizations and appropriate travel counseling
- Maximize patient touchpoints, increase adherence levels and ensure continued plan participation by caring for patients through formal diabetes education and coaching, A1C monitoring, blood pressure monitoring and cholesterol management
- Create and actively model an operational culture of authenticity, genuine customer care, and a desire to serve as seen through positive customer feedback and reviews, and high team member engagement levels

### PROFESSIONAL EXPERIENCE

ReNue Pharmacy | Frisco, Texas  
*Founder and Co-Owner*

April 2015 to present

*ReNue Rx, established in 2015 and based in Frisco, Texas, is a four-pharmacy chain in the Dallas-Fort Worth Metropolitan area and part of the privately held independent pharmacy chain Benzer Pharmacy Group based in Tampa, Florida, and founded in 2009.*

- Partner with ReNue's Co-Owner and Chief Executive Officer in creating operational strategy, supporting revenue growth, increasing market share and maximizing results in four current and two pending locations in the Dallas Metro area providing compounding and specialty services for complex chronic diseases
- Proactively manage, train and develop nine pharmacists and 12 pharmacy technicians to represent the ReNue brand by providing exceptional patient care in an environment of integrity, professionalism, education and wellness
- Collaborate with three medical provider partners to serve patients the most robust and complete health care programming: *Center for Family Medicine, Griego Family Medical Center and Metroplex Medical Center*
- Advocate for the profession of pharmacy and the community pharmacy footprint by building relationships with area providers, non-profit organizations, government agencies, employer groups, health plans and health systems; foster strategically aligned business opportunities
- Understand Dallas patient populations to proactively anticipate and address patient needs, identify growth opportunities and diversified revenue streams, and provide continuing education and resources to the team

### **Walgreens | Dallas, Texas** **Pharmacy Manager**

**January 2013 to April 2015**

*One of the nation's largest drugstore chains, Walgreens is included in the Retail Pharmacy USA Division of Walgreens Boots Alliance, Inc., the first global pharmacy-led health and wellbeing enterprise with over 13,200 stores in 11 countries.*

- Increased patient health outcomes by successfully implementing all adherence measures, providing patient education during all touchpoints, collaborating with pharmacy business partners [specialty, home infusion, mail order], and participating in community health awareness programming
- Maximized all measurable results through exceptional patient and customer care: exceeded all company, district and store service targets each year; successfully retained patient base through a continual focus on building relationships: therapeutic and adherence counseling, disease state management, medication therapy management, patient education and community outreach
- Served as district *Immunization Chair* and delivered educational seminars on industry and company standards, products and protocols; recognized as Committee Chair for MVP Pharmacist Team
- Certified appropriate pharmacist hiring by managing district talent; interviewed and hired summer pharmacy interns, new pharmacy graduates and licensed pharmacists; created and executed a training and mentoring program for new graduates

## **INDUSTRY and COMMUNITY INVOLVEMENT**

*Texas Pharmacist Association, Member | American Pharmacist Association, Member | Frisco Chamber of Commerce, Member | American Pharmacy Cooperative, Member | Dallas Stop the Flu Program, Advocate and Volunteer | Leukemia & Lymphoma Society, Advocate and Fundraiser*

## **EDUCATION**

### **Texas Tech University | Lubbock, Texas**

- Doctor of Pharmacy
- Master of Business Administration and Health Organization Management  
*[A three-prong program in association with the Texas Tech University Health Sciences Center School of Medicine, School of Pharmacy and the Rawls College of Business]*
- Bachelor of Business Administration

### **National Certification Board for Diabetes Educators**

- Diabetes Educator Certification | Anticipated October 2018

TEXAS TECH UNIVERSITY

Nominee information and biography

Name	Address	City /State / Zip	Phone	Email
Justin Thomas	3321 Cole Ave Unit 114	Dallas, TX 75205	806-236- 1006	Justin.thomas@walgreens.com
<b>Please tell us about yourself including why you want to be involved with the TTUHSC SOP Alumni board and what you want to contribute to the board and alumni association. Include any relevant qualifications along with a copy of your CV/Resume.</b>	<p>I am currently the manager of the Walgreens Local Specialty Pharmacy located at UT Southwestern Medical Center. Throughout my time at the School of Pharmacy, I was very involved, working in both Student Council and our student chapter of APhA. Through these experiences and roles in my career, I have come to appreciate the need for professional involvement and service. From changing reimbursement models to uncertainty about future opportunities, the pharmacy profession is facing major changes. And these headwinds are especially apparent in our academic institutions. Facing this environment, it is becoming even more important that we create a more robust network of alumni that can both help each other and contribute back to their school.</p> <p>If chosen to be a part of this board, I would look to elevate the presence of the group, both for alumni and for students. I hope to work with the current board to find out what alumni are truly looking for from this body and help craft programs and activities that meet the changing needs of our community of pharmacists. I also would love to see more work being done to look for chances to mentor the current class of students. With our new four year program opening in Dallas this year, there is even more opportunity for us to help grow our future colleagues than ever before.</p>			

\* Nominee biography will be released for all other alumni to review during board member elections.

\* Elected candidates will likely be asked to run for an officer position during their first meeting as a board member to fill the responsibilities of outgoing members.

## **PROFESSIONAL EXPERIENCE**

### **Walgreens**

**Registered Store Manager, Onsite – Dallas, TX**

**June 2018 – Present**

- Walgreens #15288 at The University of Texas Southwestern Medical Center
- Managing one of the first 24 URAC accredited sites for Walgreens local specialty – including having to ensure strict operational execution and patient management
- Team included two pharmacists and six technicians and support staff
- Working to reengage relationships with UTSW and Parkland Hospital – results have included getting new patients from Oncology/Bone Marrow Transplant and Cardiology Teams
- Currently managing around 400 transplant, HIV, and other specialty patients

**Registered Store Manager, Onsite – Dallas, TX**

**December 2015-  
June 2018**

- Walgreens #15011 at Methodist Dallas Medical Center
- Took over a struggling pharmacy and helped repair relationships, improve operations, re-engage staff, and turn pharmacy trajectory to a positive direction
- Managed two pharmacists and five technicians
- Grew Transplant Specialty business around 20% to encompass managing about 400 patients

- Renewed relationships with hospital stakeholders, including in case management team, which led to increased utilization of Walgreens bedside delivery program
- Improved internal processes to decrease chargebacks, increase NPS, and increase patient management (SR2) efficiency

**Community Pharmacist – Boston, MA**

**July 2015 –  
December 2015**

- Walgreens Health-Systems Pharmacy @ The Joslin Diabetes Center
- Developed and grew community pharmacy services to help provide transition of care services for transplant and oncology patients
- Provided care to patients at surrounding hospitals, including Beth Israel Deaconess Hospital, Brigham and Women's Hospital, and Boston Children's Hospital
- Executed all roles of a pharmacist of record, including dispensing medications, managing staff, immunizations, health testing, counseling patients and communicating with other healthcare professionals

**PGY1 Community Pharmacy Resident – Boston, MA**

**June 2014 –  
July 2015**

- Helped develop and run clinical programs from the community pharmacy setting to help serve patients transitioning out of inpatient care
- Worked with staff to provide medication bedside delivery and long term follow-up for transplant, HIV, Hepatitis C, and oncology patients
- Staffed the pharmacy in a dispensing role at least once a week
- Taught a Pharmacy Practice lab, including creating 1 full lecture
- Independently taught a 16-student seminar class. Tasks included assigning and grading papers, facilitating group discussions, and providing feedback and mentorship throughout the semester

**Student Pharmacist Intern – Amarillo, TX**

**August 2012 –  
June 2014**

- Uses extensive drug knowledge and pharmacy training to deliver optimized care to patients
- Works in conjunction with the pharmacists to dispense medication, administer immunizations, counsel patients, perform health screenings, and administer the day-to-day operations of a busy community pharmacy

**Pharmacy Corporate Intern – Deerfield, IL**

**May 2012 –  
August 2012**

- Selected as one of two interns nationally to participate in a three month internship with three management teams at Walgreens, which included meeting with directors and executives to learn about all facets of Walgreens operations

- Actively participated in meetings with the pharmacy services and operations teams developing the next generation of Walgreens offerings
- Thoroughly researched regulations in all fifty states to facilitate future Walgreens program expansions as part of the professional affairs team and helped communicate with pharmacists and state boards about practice regulations
- Presented a major project in front of a team of executives highlighting a potential area of improvement and the steps necessary for implementation

### **Campaign Office, Grassroots Campaigns**

#### **Lead Director – Austin, TX**

**August 2008 –  
March 2009**

- Handled payroll, recruiting and hiring staff, training, maintaining budgets, managing day to day operations, and coordinating schedules and activities with the campaign director, field managers, and six campaign teams
- Success led to largest ever Austin election office, including 40 canvassers and staff, and the first permanent campaign office in Austin, with satellite operations in San Antonio, Dallas, and Houston

#### **Field Manager – Austin, TX**

**May 2009 –  
August 2009**

- Managed a team of up to six canvassers in the field and was responsible for assigning districts and holding each canvasser accountable for covering the area and signing up supporters/donors.
- Led trainings that kept canvassers educated about current events and campaign issues, which allowed them to better engage potential supporters

### **Texas Tech University Health Sciences Center**

#### **Summer Accelerated Biomedical Research Fellow – Amarillo, TX**

**May 2004 –  
August 2004  
AND  
May 2003 –  
August 2003**

- Worked in the bio-medical research lab of Dr. Tom Abbruscato, specifically looking at the blood-brain barrier and how the presence of nicotine might worsen the damage caused by a stroke
- Collaborated with a team in order to coordinate and accomplish several multi-part laboratory projects simultaneously
- Utilized sterile techniques and other lab protocols and procedures such as electrophoresis, assays, perfusions, and cultures
- Worked independently to design and perform independent experiments in order to produce research which was presented at a research symposium

Nominee information and biography

Name	Address	City /State / Zip	Phone	Email
Christina Tran	1520 N Beckley Avenue APT 812	Dallas/Tx/75203	214-498- 7629	Christina.x.tran@outlook.com
<b>Please tell us about yourself including why you want to be involved with the TTUHSC SOP Alumni board and what you want to contribute to the board and alumni association. Include any relevant qualifications along with a copy of your CV/Resume.</b>	<p>To whom it may concern,</p> <p>My name is Christina Tran, a 2017 graduate of TTUHSC SOP. Shortly after graduation, I completed my PGY1 Inpatient Hospital Pharmacy Residency at Froedtert Hospital in Milwaukee, Wisconsin, and am currently at Methodist Dallas Medical Center pursuing my PGY2 Critical Care Pharmacy Residency.</p> <p>As a member of the TTUHSC SOP Alumni board, I believe that I can bring strong leadership skills, ideas, and dedicated service. As a student, I was highly involved with many TTUHSC SOP student organizations. I exhibited servant leadership as the Class of 2017 President by representing my class as a liaison with faculty and staff. Along with my team, we were able to organize several successful events such as residency preparation panels, curriculum vitae review sessions, and socials to encourage class bonding and increase morale.</p> <p>Additionally, I had the opportunity to serve as Rho Chi president with a strong focus on helping students excel in academics. The Rho Chi officer team and I worked with student services and faculty in both Amarillo and Abilene to set up tutoring and review sessions for difficult pharmacotherapy courses such as Cardiovascular Pharmacotherapy.</p> <p>Alumni play an essential role in supporting current students through not only potential sponsorship, but also by precepting and providing crucial connections. Due to my extensive servitude to my own class and underclassmen, as well as with my past and present knowledge and experiences in academia, I believe that I could help engage our Alumni to better support current pharmacy students.</p> <p>Furthermore, I believe that I can bring unique perspectives and experiences to the alumni board as after graduating pharmacy school, I sought to expand my network and gain new experiences during my residency in Wisconsin, where I was able to</p>			

gain an entire new perspective of pharmacy at Froedtert Hospital and pharmacy school curriculum. There, I was able to facilitate pharmacy student lab sessions and write patient cases for written patient care plans or SOAP notes and for verbal patient discussions for The Medical College of Wisconsin School of Pharmacy, a newly established pharmacy school.

Now back in Texas, I continue to expand my network and hope to support our alumni with networking and continuing education. This past month, as a member of the Metroplex Society of Health System Pharmacists (MSHP), I have planned a mixer and statistics "Mythbusters" presentation for networking and educational purposes for new practitioners and residents in the Metroplex.

As a new board member and potential officer, I would aim to carry out the mission of the board and to continue to expand the TTUHSC SOP Alumni network with my knowledge of TTUHSC SOP and experiences with various health systems and colleges of pharmacy. With these perspectives, I hope to draw ideas, mold them into actionable items, and help carry out these items for the TTUHSC SOP Alumni Board.

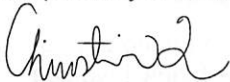

Thank you for your consideration.

Sincerely,

**Christina Tran, Pharm.D.**  
TTUHSC SOP Class of 2017  
PGY2 Critical Care Pharmacy Resident  
Methodist Dallas Medical Center

- \* Nominee biography will be released for all other alumni to review during board member elections.
- \* Elected candidates will likely be asked to run for an officer position during their first meeting as a board member to fill the responsibilities of outgoing members.
