Pool Safety

Dopper’s Pool Safety Advice

1. Be careful not to dive into shallow water.
2. Check to see how deep the pool is. Ask an attendant if the depth is not clearly marked.
3. If you are with younger children, watch out for them at all times.
4. Obey all the pool safety rules such as no running, dives, and no headplay.
5. An adult should always supervise playtime.
6. Remember to check for others before entering the water.

Watch out in case there is no proper barrier between the kiddies pool and the main pool.

When you arrive, find out if there is a Lifeguard on duty before you go into the water.

Watch out for sudden drops in the pool floor.

Digest food before you swim.

Beware of wet and slippery surfaces.

Do not swim in water that looks discoloured or murky.

Watch out for broken or missing tiles.

Listen to the instructions of Pool Lifeguards. They are there to help you have a good time.
