SUMMER PET SAFETY TIPS
Beat the heat and keep your pets safe this summer!

**SUN PROTECTION**
Don’t forget the sunscreen and have your dog wear clothing. Dogs that are white, hairless and with light colored fur are most likely to suffer from sunburn.

**SHADY**
Prevent overheating with breaks out of the sun into a shady retreat every 30 minutes or so.

**TIME TO BE COOL!**

**HOT CAR**
Even with the windows cracked, the inside of a car can heat up to 120 degrees! Ouchies!

**COOLER HOURS**
Exercise your dog in the morning or evening. The intense heat of midday can overwhelm your dog.

**HOT PUP PAWS**
Dog booties to the rescue! Be a friend to those paw pads with dog shoes to prevent burns and blisters. Avoid hot surfaces such as pavement, concrete, wood, stone, metal and sand.

**STAY HYDRATED**
Refill your dog’s water bowl more often than usual on hot days. Add ice cubes to cool down your pup and prevent vomiting.

**SIGNS OF HEATSTROKE**
Keep your eyes peeled for excessive panting, weakness, drooling, lethargy, vomiting, dark red gums, incoordination, rapid heart beat and seizures.
