Summer 2018 Financial Aid Application

Student's Name _____ Student's ID Number _____

Important Note: Students in the School of Health Professions, both Undergraduate and Graduate, now have the option of enrolling for either Summer I (Term 201881) or Summer II (Term 201891), or both. You are now advised to submit this form to apply/receive financial aid during the Summer 2018 semester. *(Failure to complete and submit this form back to our office will result in a delay in your financial aid for the 2018-2019 aid year.)*

Please keep in mind that Undergraduate level students must still meet the half-time enrollment requirement to be eligible for financial aid, even during the Summer term(s). Half-time for Undergraduate level students is 6 credit hours. *(ex. If your plans are to enroll in 3 credit hours for Summer I and 3 credit hours for Summer II, you would not be eligible to receive your financial aid until the Summer II semester.)*

The half-time enrollment requirement for Graduate level students is 3 credit hours during the Summer term(s). Graduate level students please note that your financial aid will be released once you meet the half-time enrollment requirement. *(ex. If you enroll in at least 3 credit hours in the Summer I Term, your aid will be released. If you then enroll in additional hours for Summer II Term, your financial aid will not increase because it would have already been disbursed for Summer I).*

Instructions: Complete this form to let our office know your enrollment plans for Summer I, Summer II, or both.
