As We Forgive.

Could you forgive a person who murdered your family? This is the question faced by the subjects of **As We Forgive**, a documentary about Rosaria and Chantale—two Rwandan women coming face-to-face with the men who slaughtered their families during the 1994 genocide. Struggling to live again as neighbors, these survivors and killers discover the power and the pain of radical reconciliation. In **As We Forgive**, director Laura Water Hinson and narrator Mia Farrow explore the difficult questions facing those who survived the genocide, and the extraordinary journey from death to life through forgiveness.
