Human is a collection of stories and images of our world, offering a journey to the core of what it means to be human. Through these stories full of love and happiness, as well as hatred and violence, *Human* brings us face to face with the Other, making us reflect on our lives. From stories of everyday experiences to accounts of the most unbelievable lives, these poignant encounters share a rare sincerity and underline who we are — our darker side, but also what is most noble in us, and what is universal. Our Earth is shown at its most sublime through never-before-seen aerial images accompanied by soaring music, resulting in an ode to the beauty of the world, providing a moment to draw breath and for introspection.

This event is free and open to the public.
