# Global Health Lecture Series

## Wednesday, August 20

### ACB 110

### Noon

featuring

Peter J. Hotez, MD, PhD  
Baylor College of Medicine

## The NTDS, Blue Marble Health, and the Antipoverty Vaccines

Dr. Peter J. Hotez is a scientist, pediatrician, and leading advocate and expert in the fields of global health, vaccinology, and neglected tropical disease control. He serves as founding dean of the Baylor College of Medicine National School of Tropical Medicine and holds the Texas Children's Hospital Endowed Chair in Tropical Pediatrics.

In addition to his duties at Baylor College of Medicine, Dr. Hotez also serves as President of the Sabin Vaccine Institute, headquartered in Washington, DC, and leads the Sabin Vaccine Institute and Texas Children's Hospital Center for Vaccine Development. Dr. Hotez is a member of the National Academy of Medicine.

**Note: Lunch will be served at noon.  
The presentation will begin at 12:15.**

This presentation is being co-sponsored by the Center for Tropical Medicine and Infectious Diseases and the Office of Global Health.

For more information about the Office of Global Health, please visit our website at [www.ttuhsu.edu/globalhealth](http://www.ttuhsu.edu/globalhealth).
