## *School of Health Professions Graduates:*

These are challenging times for the TTUHSC School of Health Professions family. We are inspired by the many ways our students, faculty, and staff have responded—with compassion, empathy, and generosity—to this global health emergency.

Thank you again for the incredible flexibility and resolve that each of you has demonstrated over the past few months as we have had to adjust to our new, current realities.

Congratulations on the conclusion of your academic career! We understand the Commencement experience is about celebrating with family and loved ones this significant milestone in your personal and academic development. While the formal pomp and circumstance will not take place now, we hope to create an experience that honors your achievement, commitment and sacrifice toward the completion of your degree. You have accomplished amazing things during your time at the TTUHSC School of Health Professions, both inside and outside the classroom.

Finally, as we have communicated, the School of Health Professions is committed to recognizing and celebrating your accomplishments. We have tentatively scheduled the SHP Commencement Ceremony for August 9, 2020, at 10:00 a.m., if it is determined safe to do so by the CDC and public health officials.

Best,

# *Matador Song*

*Music by Harry Lemaire. Words by R.C. Marshall.*

**FIGHT, MATADORS, FOR TECH!  
SONG OF LOVE WE'LL SING TO THEE,  
BEAR OUR BANNERS FAR AND WIDE.  
EVER TO BE OUR PRIDE,  
FEARLESS CHAMPIONS EVER BE!  
STAND ON HEIGHTS OF VICTORY.  
STRIVE FOR HONOR EVERMORE.  
LONG LIVE THE MATADORS!**

## *Affirmation of Commitment*

As a graduate of the School of Health Professions at the Texas Tech University Health Sciences Center, I hereby affirm that I will use my knowledge and skills responsibly. I will seek at all times to demonstrate my commitment to the principles of altruism, equality, freedom of choice, justice, dignity, truth and prudence. I will make professional decisions within the framework of my profession's Code of Ethics. I hereby commit to be a life-long learner, continually improving my professional knowledge and skills. I accept the responsibility of being an advocate for my patients and for my profession.

I make these promises solemnly, freely and on my honor as a graduate of Texas Tech University Health Sciences Center.
