All information is current as of the date the report was generated.

| Class*      | Class Graduation Year | Number of First Time Takers | Program First Time Taker Pass Rate |
|-------------|-----------------------|-----------------------------|------------------------------------|
| August 2015 | 2015                  | 56                          | 95%                                |
| August 2016 | 2016                  | 51                          | 100%                               |
| August 2017 | 2017                  | 50                          | 96%                                |
| August 2018 | 2018                  | 54                          | 98%                                |
| August 2019 | 2019                  | 53                          | 91%                                |
| August 2020 | 2020                  | 55                          | 95%                                |

Five Year First Time Taker Average Pass Rate for Program: 96%

\*Note: The PANCE testing window ends each year near mid-December. Classes that graduate in December may be required to test in the following calendar year due to their graduation dates. Similarly, individual December graduates may elect to test after the start of the new year. Accordingly, it may be appropriate for programs that graduate in December to compare their first-time taker pass rates with the national averages from the following calendar year.

| National First Time Taker Pass Rate By Calendar Year |                   |
|--|-------------------|
| Year   | Pass Rate         |
| 2015   | 96%               |
| 2016   | 96%               |
| 2017   | 97%               |
| 2018   | 98%               |
| 2019   | 93%               |
| 2020**   | Available in 2021 |

Five Year National First Time Taker Average:96%

\*\*Note: NCCPA conducts practice analysis and standard setting studies approximately every three to five years and, based on the most recent analyses, implemented a new PANCE blueprint and passing standard effective January 1, 2019. *The pass rate, based on first-time taker performance for the 2020 calendar year, will be available in early 2021.*

**Physician Assistant National Certifying Examination  
Five Year First Time Taker Summary Report**

**Definitions of Report Headings`**

|  |   |
|--|---|
| <b>Class</b>   | Class nomenclature and the individuals included in each class are determined by PA programs when assigning students to a particular class.  |
| <b>Class Graduation Year</b>   | Graduation year for the majority of the individuals in the specific class based on the confirmed graduation date provided by the PA program.  |
| <b>Number of First Time Takers</b>                                       | Number of individuals from the class who have taken PANCE for the first time as of the date the report was generated.   |
| <b>Program First Time Taker Pass Rate</b>                                | Percent of the first time takers in the class who passed PANCE as of the date the report was generated.   |
| <b>National First Time Taker Pass Rate for the Class Graduation Year</b> | National percent of first time takers who passed PANCE in the calendar year corresponding to the class graduation year. National pass rate data is not provided until the full calendar year's data is available. |
