

# Master of Science in Molecular Pathology

## Molecular Pathology Textbook List

Fall 2020

### **HPMP 5098 – Special Topics**

- NO Textbook required or recommended

### **HPMP 5309 Human Molecular Genetics (Required)**

- Textbook: Genetics in Medicine
- Author(s): Nussbaum, McInnes and Willard
- Publisher: Elsevier
- Edition: 8<sup>th</sup>
- ISBN: 978-1437706963

### **HPMP 5309 Human Molecular Genetics**

- Textbook: NO Textbook required or recommended

### **HPMP 5407 Pathophysiology (Required)**

- Textbook: The Nature of Disease
- Author(s): Thomas H. McConnell
- Publisher: Williams and Wilkins
- Edition: 2<sup>nd</sup> Edition
- ISBN: 978-1609133696

### **HPMP 5805 Applied Molecular Techniques I (Required)**

- Textbook: Molecular Diagnostics: Fundamentals, Methods and Clinical Applications,
- Author(s): Buckingham
- Publisher: FA Davis
- Edition: 3<sup>rd</sup> Edition
- ISBN: 978-0-8036-6829-4
