Health coverage is subject to a 60-day waiting period. For most new employees, health coverage begins the first of the month after the 60th day of employment. Premiums for employees paid on a semi-monthly basis are divided equally with half the monthly amount withheld each pay period. Employees are considered full-time for health insurance purposes when working an average of more than 30 hours per week.

HealthSelect of Texas requires each participant select and use a Primary Care Physician (PCP) to receive in-network benefits. Your PCP must also submit referrals for a specialist visit. PCP elections can be made on the BCBS HealthSelect Website or by calling (800-252-8039).

All dependents will require verification through Alight Solutions. Failure to verify dependents could result in dependents being removed from insurance. (800-987-6605)

Optional Insurance: Elections must be made within your first 30 days of employment and your coverage will begin on the 1st of the month following your election date.
