BECAUSE YOU GAVE...

I would like to thank you for your kind-heartedness. I have been in TTUHSC for a year and have experienced an incredible warmth, love, and friendliness. Masters in Public Health is tasking, and I appreciate the support system here. I hope in the future to be able to give back to West Texas and be able to help those in my current situation. Thank you once again for your generosity and willingness to give.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me take care of payment for the necessary textbook needed for my public health program. I will also be able to afford the payment of my apartment rent. I will also be able to pay for my program tuition fees, allowing me to focus on my studies without constantly worrying about finance.

WHY I CHOSE TTUHSC...

TTUHSC has a clear mission of excellence with a mission of bringing affordable quality health care to rural West Texans is a laudable task I want to be part of. I am particularly encouraged to be part of TTUHSC because of their culture of selflessness and love that has endured to decades. TTUHSC Department of Public health has one of the best instructors and professors in the nation. The hospitality and family culture of rural West Texas made TTUHSC the obvious choice for me.
