SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

I want to express my thanks for your donation and for your willingness to help students like myself during a time of financial stress. I hope to put your money to good use by graduating from medical school on time and pursuing a specialty I am passionate about.

WITH YOUR SUPPORT, I CAN...

It will definitely help relieve some of the financial burden of medical school by allowing me to take out less student loans, which will be great long term as well as right now. I cannot thank you enough for your support.

WHY I CHOSE TTUHSC...

I completed my undergraduate degree at Angelo State University and loved my time there. When I went on interviews for medical school, Lubbock initially caught my attention as somewhere I would enjoy living for 4 years and TTUHSC stood out as a great school with a friendly environment. I know I made a great choice in choosing to attend TTUHSC.
