BECAUSE YOU GAVE...

I want to tell them thank you for their contribution to allow myself and other students to have the chance to decrease the cost burden of school while we follow our passion to learn how to help others with their healthcare.

WITH YOUR SUPPORT, I CAN...

Since I received \$1000 from School of Health Professions with this scholarship, it will help me a lot by qualifying me for in state tuition.

WHY I CHOSE TTUHSC...

I choose TTUHSC due the first time pass rate success, the positive things I heard about the program, the fact that the students' rating of the professors ranked the program number one in the national for student satisfaction, and the overall quality of the program.

BECAUSE YOU GAVE...

I am beyond grateful for your generosity. This scholarship is allowing me to move forward with my professional dreams without added financial stress. Please know how meaningful this scholarship is to me. It is added motivation for me to excel in this amazing program.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to focus on my studies in this program without being as financially stressed with tuition. It will also help pay for books, school supplies, and other academic funds that I might have had to take loans out for. I am extremely grateful for this scholarship and appreciate how much it is helping me during this heavy financial time in my academic career.

WHY I CHOSE TTUHSC...

TTUHSC's program has everything I am looking for in pursuing my Master's. I was thrilled to find out that the classrooms are located right outside the hospital. Having a hospital right next to a classroom setting is a dream come true to me since I am a very hands-on and visual learner. Having access to an on-site hospital will be the perfect opportunity for me to immerse myself in a medical setting and see if that is the best fit for me.

BECAUSE YOU GAVE...

I am forever grateful for the part you are playing in making my dream come true. I spent a lot of time working and saving so that I could make a dent in what I will owe for school, and your generous gift has lifted a weight from my shoulders. Thank you for your part in what I am sure will be the most rewarding time of my life. I will strive to make your generosity work for the patients I will encounter in my future practices; you are not only helping me, but also them!

WITH YOUR SUPPORT, I CAN...

These scholarships will help me more than I can even say! I am coming from out of state, and because of these scholarships, I will be able to pay in-state tuition for the first three semesters of my graduate degree. I will be in school full-time, and all of my expenses will be paid for with loan money, so the less I have to borrow, the better off I will be when I graduate and begin paying everything back.

WHY I CHOSE TTUHSC...

I have known several people who attended TTUHSC, and I have never heard a bad thing about it. I think that the mix of classroom learning and hands-on clinical work is exactly the approach that will help me to best serve my future patients.

SCHOOL OF HEALTH PROFESSIONS

BECAUSE YOU GAVE...

Thank you very much for awarding me this scholarship. As an out of state resident, any additional funds to help with tuition means the world to me. In addition to graduate tuition, I have a significant amount of undergraduate student loans to pay off because my parents were unable to financially support me. Thank you for your help. My goal is to become a client-centered occupational therapist and help underserved populations.

WITH YOUR SUPPORT, I CAN...

This scholarship will be applied towards my tuition costs, and qualifies me for in state tuition. I cannot thank you enough for your support.

WHY I CHOSE TTUHSC...

From the moment I interviewed at TTUHSC, I knew that the faculty and staff have students' best interests in mind and that they genuinely care about each one of us. I received admission to 3 other universities for the MOT program and chose TTUHSC because of the quality of education and hand-ons experience that the school offers. I am confident that I made the best decision coming to TTUHSC.

BECAUSE YOU GAVE...

I am forever grateful for this scholarship. The weight that was taken off my shoulders when I received this scholarship is indescribable. I am so appreciative for your willingness to give, and help me be able to qualify for in state tuition.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me qualify for in state tuition. This scholarship will help me be able to not have to borrow as many loans, which would reduce my debt once I graduate. In the end, I will be able to focus more on my patients, and giving them the best care they deserve, instead of just working for a paycheck to pay back my loans.

WHY I CHOSE TTUHSC...

I am aware it was my choice to go to occupational therapy school outside of Indiana, however, I realized that TTUHSC had one of the better programs. I have really enjoyed my time here and know I made the right choice.

BECAUSE YOU GAVE...

Cost is a serious factor in keeping people from the education they need to pursue careers that not only benefit them, but benefit all of us. Thank you for your help in carrying this burden so that I can reach my destination and help my fellow man when I get there.

WITH YOUR SUPPORT, I CAN...

This scholarship will reduce the financial burden of my degree and allow me to focus more on my studies. Thank you for your support.

WHY I CHOSE TTUHSC...

The flexibility of the all online Masters Degree for Clinical Mental Health Counseling attracted me to the university at first, but what makes me proud to be attending this institution is the respect behind the name.
