BECAUSE YOU GAVE...

Thank you so very much for your generous donation towards TTUHSC scholarship funds. Myself and many other students will be able to enter the upcoming school year with peace of mind knowing that we have monetary help and support without the burden of debt. This scholarship will allow me to focus more on my studies and my family and less on making sure I am working enough hours to pay my bills.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to pay for my education without the worry of additional student loan debt. It will also help me afford to work hours fewer hours, not only to focus more on my studies but also to be able to travel home and spend time with my family. My father is currently undergoing continuous medical treatments and this scholarship money will allow me to visit him more frequently and attend treatments and doctors visits with him. I am so grateful for these scholarship awards and plan to pay it forward one day to other students.

WHY I CHOSE TTUHSC...

I chose TTUHSC because the faculty and staff have always made me feel like more than a number and have always been willing to help me pursue my degree in any way that they can. Not only the faculty and staff within the Speech, Language and Hearing department but those within Admissions, Student Affairs, Student Business Services, Parking, TTUHSC Police, and many others. The entire TTUHSC community of faculty, staff, and students is just that, a wonderful group of like-minded people working together to provide the best health care to all patients for many years to come.
