SCHOOL OF HEALTH PROFESSIONS

BECAUSE YOU GAVE...

Thank you so much. This scholarship allow me to focus more on my studies and growth in the clinic, rather than worrying about financial burdens. I appreciate your generosity and hope to pay it forward one day!

WITH YOUR SUPPORT, I CAN...

This scholarship will help with the expenses that will come from being in clinicals. I will have to travel often and further than I have been the last two years of school. This scholarship will also help take care of living expenses, am I am honored to receive it. Thank you!

WHY I CHOSE TTUHSC...

I was born and raised a Red Raider! I went to undergrad at TTU, and fell in love with the people and family environment. I wanted nothing more than to continue my studies at TTUHSC and continue to be apart of the Red Raider family.

BECAUSE YOU GAVE...

Thank you so much! This scholarship money is going to help out my family more than you can imagine. Thank you for your generosity!

WITH YOUR SUPPORT, I CAN...

This scholarship is very helpful to me because it reduces my student loan debt. Since I am an out-of-state student, my family decided to take out one of the loans that were offered and have paid the rest of the tuition and fees that the loan didn't cover. This scholarship helps my family out a lot because it decreases the amount that we have to pay, and helps us to save money that we can use to pay off my loans.

WHY I CHOSE TTUHSC...

I chose TTUHSC because when I interviewed for the program, all the professors and students were very welcoming and friendly. Most of the staff actually graduated from TTUHSC and chose to stay and teach, which was very interesting to see in this program because this is not a typical case for most schools. But seeing how much the staff and students loved and enjoyed the program made me ultimately choose TTUHSC.
