BECAUSE YOU GAVE...

I would like to take this opportunity to thank you for your support. As one of this year's recipients, I am grateful for the opportunities this scholarship will provide me. I am honored to have been selected to receive a scholarship from the TTUHSC. Growing up in a small mountain community presents some financial and academic challenges but has also helped me realize the value of a college education. I am very privileged to have the opportunity to continue my education, and I am grateful to have this opportunity.

WITH YOUR SUPPORT, I CAN...

I greatly appreciate this scholarship. This scholarship will significantly strengthen my opportunity to further my education. I think it is amazing that TTUHSC is willing and able to offer scholarships like these to assist students on their higher education journey. Being an out-of-state student, it isn't easy to go to a university out-of-state due to the financial load that comes along with it. I can say first hand that scholarships like these are what allow me to continue growing as a student. W

WHY I CHOSE TTUHSC...

I graduated with just 10 students in my class, so you can imagine the transition I had to make when I went to TTU. After being at TTU for a year, I felt I had the big university experience and wanted something new. I learned of the TTUHSC campus along with the smaller class sizes and knew that it was somewhere I wanted to attend. When I started to pursue the transfer process, everyone was so willing to help or find someone who could help. I know I made the right choice coming to TTUHSC.
