### **BECAUSE YOU GAVE...**

If it wasn't for people like you who believe in what we are doing there would be no point in us doing what we do. Thank you for believing in us and equipping us to become the best health care providers that we can be. Again, thank you, we do this for you and yours!

### **WITH YOUR SUPPORT, I CAN...**

This scholarship will reduce many of the financial burdens I have as this will allow me to better focus on my studies and relationships, rather than being a slave to my financial responsibilities. This helps me re-prioritize my endeavors so I can focus on becoming the best therapist, co-worker, classmate, daughter, and friend that I can be.

### **WHY I CHOSE TTUHSC...**

The outstanding reputation that the DPT program has maintained over the years, as well as the professors that not only want you to succeed in the classroom or in the clinic, but also in life. At TTUHSC, I feel like we are a family, and we are all aiming to help one another succeed.
