BECAUSE YOU GAVE...

I am extremely grateful and humbled to be offered this scholarship. The ability to pursue my degree in a field that I love and feel passionate about without the added stress of financial worries is something that I am so appreciative and respectful of. I hope to pursue a career as a long-term care speech-language-pathologist working in under-served areas where help is needed most. I thank you for helping me along my journey!

WITH YOUR SUPPORT, I CAN...

This scholarship will help me by allowing me to dedicate more time to my studies and scholarly activities. I will be able to devote my time to my studies and focus on learning the necessary material I need to become a top tier speech-language-pathologist instead of splitting time between my studies and part-time employment. This scholarship will also allow me to have more time to prepare for my sessions and give my clients the best of my ability in terms of quality and therapy treatment.

WHY I CHOSE TTUHSC...

I chose TTUHSC for several reasons. The information on the SLP Master's program found online was some of the best I've seen across many different programs. They had all the answers to my questions plus more, and everything was laid out in an easy-to-navigate format. I took this as a good indication of the education I would receive if I chose to attend their program. I also chose TTUHSC for the program's national ranking and more medical focus. Lastly, TTUHSC offered me competitive scholarships that helped to defray the costs of graduate school by a significant amount.

BECAUSE YOU GAVE...

Thank you so much for your generous donation. This financial support is helping to decrease the financial burden of attending graduate school and allowing me to focus more of my time on pursuing a degree in a career that I am extremely passionate about. I look forward to one day getting to serve my community and help individuals gain independence, and your donation is helping to make that dream a reality for me. My husband and I are both extremely grateful for your support.

WITH YOUR SUPPORT, I CAN...

This scholarship will help to ease the financial burden that comes with attending a graduate degree program. I will be able to focus less on finding a job that can help me pay off my loans quickly, and more on finding a career that I'm passionate about, despite the setting or salary.

WHY I CHOSE TTUHSC...

I chose TTUHSC because it offers one of the top OT programs in the state. The quality of education provided, as well as the passion and care each professor has for the OT profession, has encouraged me and pushed me to grow professionally and personally.

BECAUSE YOU GAVE...

I am so appreciative to you for establishing this scholarship. I am thankful that there are people here in Lubbock and surrounding communities that care about the upcoming generation of clinicians that is coming through TTUHSC. It is truly a blessing for me and my family.

WITH YOUR SUPPORT, I CAN...

I am extremely thankful for these funds. With this money, I will be able to pay for almost one fourth of my tuition this semester. This is taking me one step closer to finishing my education as a DPT student. This is a HUGE help with accomplishing my goal of becoming a DPT.

WHY I CHOSE TTUHSC...

I chose TTUHSC because of the culture that is established here. I fell in love with the school during my interview, and found the students/professors welcoming and passionate about what they do. This school is preparing me to not only be a good clinician, but also a contributing member to my community through community service and volunteering opportunities.
