I would like to thank you for your generous scholarship. I have been honored to receive this scholarship and would like to extend to you my sincerest gratitude. With these scholarships, my dreams of becoming a physical therapist can become a reality. I cannot thank you enough for securing my success as a TTUHSC graduate student, thanks to your generous scholarship offer. I hope to make you, as well as my family, proud in my accomplishments.

#### **WITH YOUR SUPPORT, I CAN...**

Graduating with my doctorate in physical therapy is the next step in the direction of achieving my greatest dream in life. Accomplishing this lofty aspiration does not come without a financial burden. Since my freshman year of high school, after experiencing physical therapy from the perspective of a patient for three years, it has been my dream to become a physical therapist and help patients rehabilitate after difficult diagnoses. Your support is allowing me to chase this dream, and I cannot be more thankful.

#### **WHY I CHOSE TTUHSC...**

I attended TTU for my undergraduate studies and quickly fell in love with the city of Lubbock during my time here. The sense of community and dedication to education secured my decision to become a Red Raider. During my time at TTU, I joined the Pre-Physical Therapy Club. My involvement became what defined my collegiate career and inspired me to apply to the TTUHSC physical therapy program; I had my roots planted firm in the community, and my branches were ready to grow in physical therapy.
