BECAUSE YOU GAVE...

I am so appreciative of the gift you have given me to further my education. Because of donors like you and the contribution you have made, I will be able to attend PA school with fewer student loans. Thank you so much for your generosity.

WITH YOUR SUPPORT, I CAN...

This scholarship would tremendously help alleviate some of the financial burdens that come with being a student. This scholarship is a reminder that education and service to others are my top priority throughout the duration of the program and beyond.

WHY I CHOSE TTUHSC...

I originally chose to apply to TTUHSC because the Physician Assistant whom I shadowed graduated from the program and spoke highly of the education she received and her experiences. During my interview, I was able to interact with both faculty and students and got a great sense of camaraderie and was blown away by how at home I felt. I was looking for a program that would offer an excellent education, a proven track record, and a mission I was passionate about. I believe I have found those things at TTUHSC and am excited to be here.

BECAUSE YOU GAVE...

First and foremost, thank you. It is because of generous donors like you that I am able to pursue my dreams of becoming a health care provider. I have never been more excited for anything in my life as much as my desire to become a PA and fill primary care gaps that exist both in West Texas and throughout the United States. I look forward to showcasing all of the reasons I was the right choice not only for the TTUHSC PA Program, but for this scholarship as well.

WITH YOUR SUPPORT, I CAN...

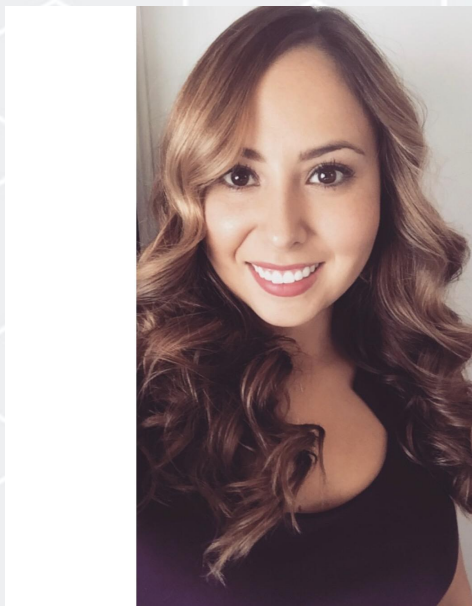

It is no secret pursuing a graduate degree program is neither mentally nor financially easy. It is for this reason, I am incredibly grateful for this scholarship in that it will ease the burden of affording my education. Instead of being consumed by the looming reality that I will not be working throughout PA school, your support helps ensure that my focus can remain on becoming the best healthcare professional I can be.

WHY I CHOSE TTUHSC...

I am very fortunate to say I was accepted into multiple PA schools in my first cycle of applications. I say this not to brag, but as proof that "once a Red Raider, always a Red Raider" rings true for me. While I wanted so badly to avoid this cliché as I embarked on the journey of applying to programs, I found myself with an indescribable desire to get my acceptance into the Master of Physician Assistant Studies Program from TTUHSC. I am so glad I came to TTUHSC and know I am receiving an excellent education.

BECAUSE YOU GAVE...

I truly appreciate your generosity toward my education and future profession. I am honored to be the recipient of the Mary Nell Sowell Scholarship. Growing up in a single-parent home has helped me value hard- work and education. I will be the first in my family not only to graduate from college but to pursue a master's degree. This scholarship brings me closer in accomplishing my goal to become a physician assistant and provide high-quality care.

WITH YOUR SUPPORT, I CAN...

The scholarship will help me pay a portion of this year's tuition and will allow me to chase my dreams of being a PA. I cannot say thank you enough for believing in me and my dreams of serving.

WHY I CHOSE TTUHSC...

I chose to apply to TTUHSC because of the strong PANCE first-time pass rates and being in-state. I however chose to attend TTUHSC because of the great recommendations from past and present students, the friendliness in which I was received during my interview, and most importantly the access to care that the school is bringing to this community.
