BECAUSE YOU GAVE...

I would like to express my sincere gratitude and appreciation for this scholarship! I would like to reiterate that this money is going to help my family and I out tremendously. I cannot thank you enough for this huge blessing!

WITH YOUR SUPPORT, I CAN...

I can't even begin to put into words how much this scholarship is going to help my family and I! I am married with two small children and another little girl on the way in November. This money not only will help with tuition for this second year in PT school, but also help me provide for my family and our needs.

WHY I CHOSE TTUHSC...

I chose TTUHSC because I was very impressed with the program from the research I did and through the interview process. I also had a very good friend in the same program that I was applying for, and he highly recommended the school and had nothing but good to say about it!

BECAUSE YOU GAVE...

Thank you so much! Words can't express what a huge difference these funds make for my family. Receiving so much causes me to desire to pay it forward when I am more financially stable in life, because even a little funding can go a long way for a student. I'm so grateful you obviously have this same desire - I wish there was some way I could repay you. Thank you.

WITH YOUR SUPPORT, I CAN...

This scholarship was bestowed at quite a perfect time - 6 weeks after my daughter's birth. Many costs associated with the birth challenged our budgeting plan, and on top of that, my 8-year-old laptop ceased working. These funds will greatly help fill in the deficit that my family has felt financially over the past few weeks! Words can't express how grateful we are.

WHY I CHOSE TTUHSC...

I chose TTUHSC initially because it was among the most affordable of my choices. However, I've come to learn what a great school TTUHSC is, and have cherished the great experiences I've had thus far here. I have no doubt that these experiences will continue to be favorable through the remainder of my time here.

BECAUSE YOU GAVE...

I am so grateful for these generous gifts, you have no idea how much this helps me. These gifts allow me to worry less about the financial cost of my program and focus on the education I am gaining. One other thing these scholarships are doing is it is telling me that people believe enough what I am doing and are willing to support me in any way possible.

WITH YOUR SUPPORT, I CAN...

This scholarship will allow me to not stress about money while I am in school. I am having to pay for school without any help with the exception of loans and scholarships. Being in a graduate program, I have accrued a great deal of debt that has become a stressor and makes it difficult to justify the work it takes to complete my program. However, these scholarships tell me I am supported and allow me to focus on school, not what it cost.

WHY I CHOSE TTUHSC...

The welcoming culture of the faculty and staff of TTUHSC immediately drew me in. They have nationally recognized programs which are a huge draw, but ultimately it was the people that made the difference for me.
