BECAUSE YOU GAVE...

I truly appreciate your generous support for PT students like me.. Scholarships allow for me and other students to pursue our dreams of helping others live their best life. This scholarship will aid in my success through a pediatric physical therapy residency, which will in turn help me become the best pediatric physical therapist I can be and help as many children as I can.

WITH YOUR SUPPORT, I CAN...

After graduation I plan on attending a pediatric physical therapy residency. This scholarship will help me save money for the residency applications and interviews. This scholarship will aid in me becoming the best pediatric physical therapist I can be. You are allowing me to focus on my dreams without worrying about I am going to fund my education and future career.

WHY I CHOSE TTUHSC...

When I interviewed at TTUHSC, I fell in love with the atmosphere and individuals on campus. Everyone is excited to be there and truly loves what they do. The professors and faculty have such a strong passion for our success throughout the program. I know I made the right choice coming to TTUHSC and will be greatly trained for my future career.
