BECAUSE YOU GAVE...

Words do not describe how thankful I am for the scholarship you have provided me. You have helped me pay for my education so that I can help others in need and fulfill my dream of being a physical therapist. I appreciate it so much. You have truly blessed me.

WITH YOUR SUPPORT, I CAN...

It will help me defer some of the cost of college and the added debt that goes along with loans. You are improving my life now, and when I graduate and start paying back my student loans.

WHY I CHOSE TTUHSC...

They were ranked #1 in student satisfaction surveys for 3 years in a row, which showed me that the students really enjoy the program and all it has to offer. The students enjoy the professors and the professors are actually making a difference, which speaks volumes to me. I have had the same experience during my time at TTUHSC and am so glad I came here.

BECAUSE YOU GAVE...

There are no amount of words that could rightfully express the level of gratitude I have for your generosity and kindness. Your choice to donate to this scholarship truly changed the course of my life. You are nothing short of a blessing and answered prayer to both my family and me, and I want to assure you that your money is going to go to great use. I am so so passionate about school, and even more so, the career that it will lead me to. I have hopes to eventually become a speech-language pathologist at a children's hospital.

WITH YOUR SUPPORT, I CAN...

Several moments in my life have led my goal of becoming a speech-language pathologist, and I have no doubt that it is what I am meant to do. Unfortunately, my goals come with a large price tag. From the moment I was born, everything in my life has been either doubled or cut in half. Sadly, college expenses fall under the doubled category. I am a twin, and while it may cost us, I would not trade it for anything. Your support is allowing me to chase my dreams.

WHY I CHOSE TTUHSC...

I was born and raised a Red Raider, and my dream of attending TTUHSC has been more than fulfilled over these last three years as a student. I love the traditions, spirit, and high expectations for excellence in the classroom. However, another dream of mine, one even greater than going to TTUHSC, is to become a speech-language pathologist and to be given the special opportunity to change lives through the gift of communication. I have always admired the TTUHSC, and when I discovered that it had such an amazing speech-language pathology program it was almost too good to be true.

WITH YOUR SUPPORT, I CAN...

This scholarship will help cover tuition and fees, and allow me to focus more on my studies. When I was accepted to TTUHSC, I worried about adding to my student loans, and you have taken that stress off my shoulders.

WHY I CHOSE TTUHSC...

I did my undergraduate degree at TTU and had a great experience. I knew that I would enjoy the Lubbock community and that the faculty would be helpful and welcoming. I know I made the right choice staying in Lubbock and coming to TTUHSC.
