SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

Thank you so much for selecting me to receive this scholarship. It goes a long way! As you continue to help others, I will strive to do the same as I continue on in my medical training and career.

WITH YOUR SUPPORT, I CAN...

This scholarship will help to alleviate some of the financial burden associated with paying for medical school. I often worry about how I am going to afford my education, and you are taking some of that worry off my shoulders. I cannot thank you enough.

WHY I CHOSE TTUHSC...

I loved the community and small town feel that I got when I first visited. Everyone around me was so genuine! I know I am receiving a great education at TTUHSC, and I know I made the right choice.

BECAUSE YOU GAVE...

I would like to tell them how grateful I am in their investment in my future as a physician and that I will not let them down! I plan to pay it forward to students like me in the future. Thank you!

WITH YOUR SUPPORT, I CAN...

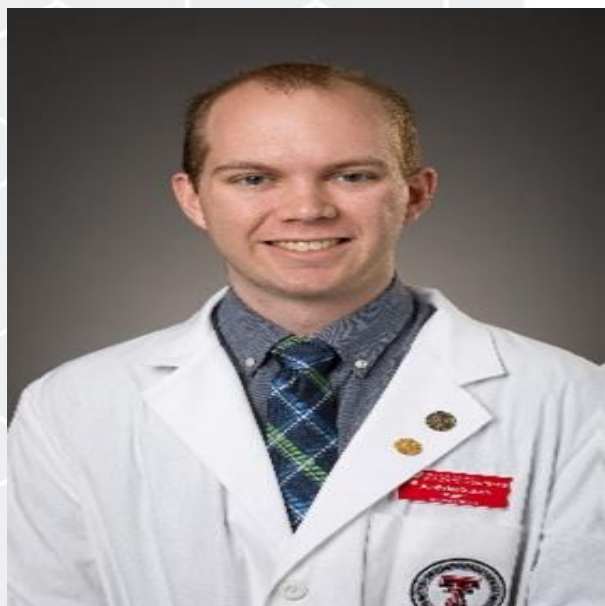

This scholarship will help offset the need for extra loans during this transition period from Lubbock to Amarillo. Not only does it benefit me financially, but it also encourages me in knowing that the physicians of Amarillo, who endow the scholarship believe in me and my passion for service towards my patients.

WHY I CHOSE TTUHSC...

The family environment of Texas Tech University Health Sciences Center has allowed me to thrive, get the education and commitment that I need from an institution of higher education. To the faculty and staff of TTUHSC, I am more than just another white coat, I'm a living breathing individual that is not just the sum of my accomplishments, but a valuable member of a team and community.

BECAUSE YOU GAVE...

Once again, thank you so much! My wife and I appreciate your gifts greatly. Your donations are vital to our family and in helping to continue my education. You are allowing us to start and continue our life together with less student loans to worry about, a gift I cannot thank you enough for.

WITH YOUR SUPPORT, I CAN...

This scholarship greatly helps ease the anxiety I have about finances. I recently got married, and any help my wife and I can get is greatly appreciated. Especially as I head into my fourth year of medical school with interviews and away rotations, this will be a huge help.

WHY I CHOSE TTUHSC...

TTUHSC was one of the few schools where the students genuinely seemed happy to be here. Along with this, I heard great things about the administration, faculty, and physicians who help us through medical school. If I had to go back, I would make the exact same decision as I have had a fantastic experience.

HUNTER JONES SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

I can't thank you enough for this help. For the future, I plan on pursuing a surgical field and hope to one day return to practice in the panhandle region. It would be nice to return the favor one day as a physician and help out future TTUHSC graduates. I am honored to be a part of the TTUHSC family where people like you continue to have an impact on the careers of students.

WITH YOUR SUPPORT, I CAN...

This scholarship will greatly help me in my journey to become a physician. This will help cover costs such as my board exam testing fees, travel for away rotations, and educational learning materials. These expenses have only been increasing for students, and it is a blessing to have this burden lessened. I am greatly appreciative of this support.

WHY I CHOSE TTUHSC...

I chose TTUHSC because I was greatly moved by the student culture. Everyone was extremely friendly, and it seemed like a wonderful institution to grow as a professional. I also have lots of family here in the panhandle region, and it is nice to be close to them. TTUHSC is special because the faculty and administration actually care and are invested in student success.
