

## MARCO JAUREGUI SCHOOL OF MEDICINE

### BECAUSE YOU GAVE...

I would like to thank you from the bottom of my heart for investing in my education. I am extremely grateful for the opportunity, and promise to use these funds for the advancement of my education and to gain more knowledge so that I can pay it forward and help others in return.

### WITH YOUR SUPPORT, I CAN...

This scholarship will be extremely helpful for my second year of medical school, especially for STEP preparation. I have already researched some resources that I am interested in getting, and these funds will be helpful to acquire those.

### WHY I CHOSE TTUHSC...

I chose TTUHSC because I knew that I wanted to make a contribution to a struggling population out in rural West Texas. I also wanted to help provide better care in the Spanish speaking hispanic community, which I have done over the past year at the free clinic. Lastly, I wanted to learn medicine from a well respected and well established institution that incorporated inter professional education as well.

#### **BECAUSE YOU GAVE...**

Medical school is very rigorous, but the generosity of donors such as yourself helps ease the financial burden so that the only thing I have to worry about is excelling in my academics. Additionally, as a Hispanic medical student, I have an obligation to set a good example to encourage the Hispanic community to pursue careers as physicians. Hispanics are overwhelmingly underrepresented in medicine, so with the help of your generous donation, I hope to accomplish my dream of becoming a physician and use my platform in the community to inspire Hispanic children to chase their dreams.

#### **WITH YOUR SUPPORT, I CAN...**

This scholarship will go directly towards making medical school more affordable. I will use these funds to pay for living expenses associated with attending medical school at TTUHSC. I cannot thank you enough for this.

#### **WHY I CHOSE TTUHSC...**

I chose TTUHSC of the the happiness that I saw in the students. This is an amazing school that really cares about my success. I've met some wonderful professors who are easy to approach as if they were a close friend. Additionally, the curriculum fosters a cooperative environment between the medical students, which was an important factor to me.

I want to thank you from the bottom of my heart. It is truly a blessing to be considered for a scholarship during medical school when all of us are so highly qualified. Your contribution really does make a difference and is deeply appreciated.

#### **WITH YOUR SUPPORT, I CAN...**

It will ease the financial burden for my second year of medical school. I cannot thank you enough as you are allowing me to be the best student I can be.

#### **WHY I CHOSE TTUHSC...**

The curriculum style was attractive, but I chose TTHUSC over others with similar curriculum because of the sense of community I got during the interview and subsequent visit. I am so grateful that I came to TTUHSC and know I made the right choice.
