SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

Thank you so much for your kind donation. This scholarship will help ease the stress of loans as well as provide the means for a meaningful education. I am so grateful for your support and hope to pay it back in the future.

WITH YOUR SUPPORT, I CAN...

This scholarship will help me by providing more money for interview season this year, thus requiring me to take out less money for travel and other expenses. I was worried about how I was going to afford to travel for my interviews, and you are alleviating a huge stress off my shoulders.

WHY I CHOSE TTUHSC...

I chose TTUHSC initially for the work that The Free Clinic does, and I loved volunteering there to help the less fortunate community of Lubbock.
