

BAILEY VILLEDA SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

I am so grateful for your financial assistance during this very expensive and stressful time in my life. It is a gift I'm not sure I can adequately express my gratitude for. My husband and I are so thankful for people who choose to give to individuals in our circumstances.

WITH YOUR SUPPORT, I CAN...

This scholarship will be a tremendous help to my husband and me as we are both medical students at TTUHSC. This scholarship will allow us to take out a smaller amount of loan money needed to cover the cost of attending school this year. We are so grateful for the assistance.

WHY I CHOSE TTUHSC...

I chose to attend TTUHSC because I felt very at home during my interview day. I was amazed at how kind and welcoming the staff and Dean's ambassadors were to myself and other students interviewing. I feel that the curriculum aligns with my learning styles and the block-style curriculum schedule will be extremely helpful. Apart from that, I have lived in West Texas for over 5 years now and have found that the environment and people make it one of the nicest places to live. I am thrilled to be at TTUHSC for the next 4 years.
