SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

I am sincerely honored to be the recipient of this scholarship. I am extremely grateful for your generosity which will allow me to further my education in the field of medicine. My dream of being a doctor and helping the community is one step closer now. As a third year medical student, this money will allow me to focus on my clinical rotations. Clinical rotations is where I am exposed to the hospital environment and able to interact with patients. I hope to one day be able to return this same generosity to a medical student.

WITH YOUR SUPPORT, I CAN...

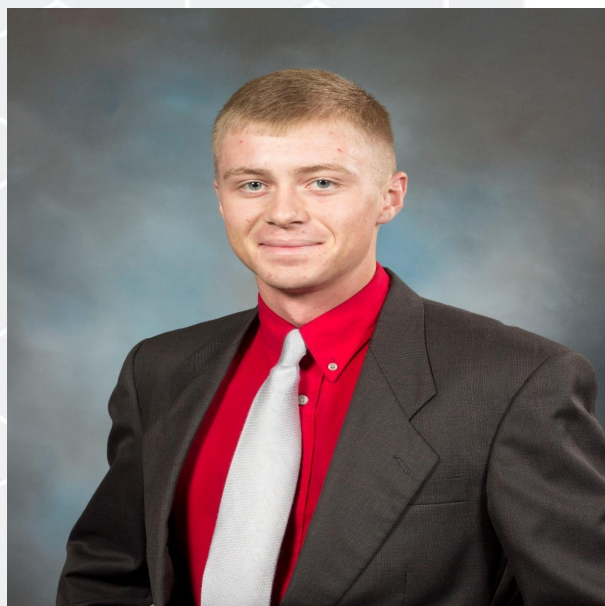

This scholarship will help with some of the medical bills that I have not yet been able to pay. This reduction in mental and financial stress will be very helpful in continuing my education. I will be able to focus on my clinical rotations.

WHY I CHOSE TTUHSC...

TTUHSC has been educating great doctors for many years and I would be grateful to be one of them. The core values of TTUHSC aligned with what I strongly believe in. Going "Beyond service" is really what struck with me. I always believed that those who want to make the best physicians have to constant sentiment to go above and beyond. Another value of TTUHSC that I strongly hold is "One team". Collaboration between multiple professionals drives the engine of healthcare. An environment with great team spirit for all team members.

SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

I greatly appreciate your generosity in offering financial assistance to students like myself. Medical school is a challenging endeavor, and your financial assistance will certainly reduce my financial stress. By spending less time concerned with financial issues, I am able to be more diligent in my medical training.

WITH YOUR SUPPORT, I CAN...

Although I have made efforts to save money for quite some time, the amount I have saved to date will not be sufficient to pay my tuition. Furthermore, I cannot count on financial assistance from my family. Scholarship assistance will help to divert my mind from financial worries to classroom concerns.

WHY I CHOSE TTUHSC...

I chose TTUHSC because the School of Medicine is well-known as an exemplary teaching institution. Furthermore, I am from the Lubbock area and wish to practice in West Texas upon graduating. Thus, TTUHSC is an ideal place for me to undergo medical training.
