SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

I just want to say how much I appreciate the opportunity they are providing me. The funds I am being awarded are allowing me to only focus on my education and are reducing external stressors. Ultimately, I will be able to put my attention on becoming a better doctor and on helping the community around me. Thank you so much for allowing me to pursue my dreams!

WITH YOUR SUPPORT, I CAN...

This scholarship will greatly reduce the financial stress of medical school and allow me to focus on my education. Having the opportunity to study with less external issues to worry about will ultimately allow me to become a better doctor, for which I am very grateful. This is a picture of me and fellow medical student, Nathan Hallier, at his wedding where I was one of his groomsmen! You are allowing students like us to be the best students we can be.

WHY I CHOSE TTUHSC...

TTUHSC has an awesome collaborative environment where students get the chance to become a part of important medical hubs in West Texas. Having the opportunity to serve a critical role for an underserved area while still in medical school is a rare opportunity. Furthermore, the collaborative environment allows the students of TTUHSC to become great together. These were opportunities I am excited to have.
