Thank you so much for investing in the beginning of my career, and for helping me be to be in a better position. I cannot express to how grateful I am for this scholarship, and I hope that in the future that I am able to thank you in person.

WITH YOUR SUPPORT, I CAN...

In short, it will help with the costs of medical school, which ultimately helps my finances and stress associated with affording school and cost of living. I believe the lessened stress will have a positive impact in my life as well as my learning.

WHY I CHOSE TTUHSC...

I have been part of the West Texas community for 10 years now, in which I have completed my undergraduate and graduate program with TTU. I have been working for TTUHSC for about 2.5 years now, in which I grew to love TTUHSC and the family-like friendly environment. To me, there was no other option for medical school, and I truly believe that this is the right place for me, especially with the quality of education, the people and the support system.

BECAUSE YOU GAVE...

As the son of a labor hand and an immigrant, I have always remained mindful of the communities investment into my education and to try and be a good steward of it. This is why attending TTUHSC SOM is my dream. It gives me the opportunity to give back to the community that has given me so much. This city is my city, and these people are my people, and I promise that I will use this opportunity provided by your generosity for the maximal impact possible, and will eventually pay it foreword when I can.

I grew up here in Lubbock and have always dreamed about attending the TTUHSC School of Medicine. From the outreach programs from the TTUHSC that attended my local schools to the potential to serve my home community in one of the most meaningful ways possible, getting into the class of 2024 was one of the happiest moments in my life. I believe that I will come out of the TTUHSC SOM ready to help my community and change the face of medicine!

BECAUSE YOU GAVE...

Thank you again! Thank you for believing in me and being a part of my story. I cannot wait to start this journey of medical school and I have you to thank for helping me get here.

WITH YOUR SUPPORT, I CAN...

This scholarship will help to allow me to focus more on my studies and less on how to pay for them. Since receiving the scholarship, I have felt a weight lifted off my shoulders as I can now focus wholeheartedly on pursuing my dreams.

WHY I CHOSE TTUHSC...

I chose TTUHSC because it felt the most like home. Being from the Texas Panhandle, I have always loved the small town feel and generous people that the Panhandle is filled with. I have loved that everyone around you is always willing to lend a helping hand in any way they can. During my interviews, I really felt that same feeling here at TTUHSC. The students and faculty here really seemed to want to help anyone that needed it, and it really felt genuine.
