

ADAM SARAYUSA

SCHOOL OF MEDICINE

BECAUSE YOU GAVE...

I would like to thank the donor for this scholarship. I am a first generation college student who was raised by a single mother that waited tables to support my siblings and I. Growing up my family struggled financially, so when I decided that attending college was my goal, student loans were the only way I could afford to attend. I became a father at age 18 when I was a senior in high school. Being a teen dad and supporting a family, while also attending college and trying to get into medical school was challenging. Being awarded this scholarship is a blessing. This scholarship is a way for me to support my family without increasing my student loan debt. I am sincerely grateful for this scholarship. My family is sincerely grateful for this scholarship.

WITH YOUR SUPPORT, I CAN...

This scholarship will be helpful in allowing me extra funds to help support my family while I work towards my medical degree. You are allowing me to focus more on my studies and less on how I will pay for my education, and I cannot thank you enough.

WHY I CHOSE TTUHSC...

I attended TTU during undergraduate and I fell in love with the city of Lubbock. This city has been great to my family and I, and I knew TTUHSC was the perfect choice for my medical degree.
