BECAUSE YOU GAVE...

Thank you very much for investing in my education! I am very happy to be a part of this community, and your support is allowing me to chase my dreams with less worry about how I will pay for my education.

WITH YOUR SUPPORT, I CAN...

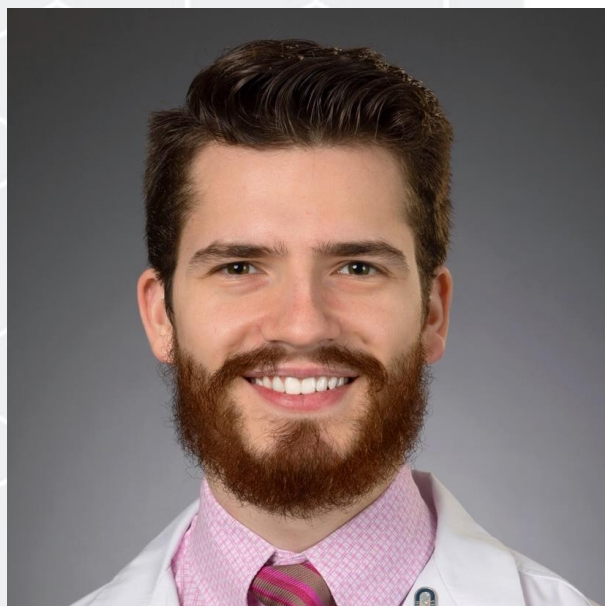

This scholarship will help reduce the financial burdens as I continue onto my second year in medical school. As I begin preparing for my USMLE exam, I plan to utilize outside learning resources and the additional funds will contribute immensely to my academic pursuits.

WHY I CHOSE TTUHSC...

I chose to come to TTUHSC because I have lived in Lubbock for 11 years and consider West Texas home. The supportive collegiate atmosphere fostered by the professors and the diverse student body showed me that I can have research opportunities and participate in extracurricular activities without fear of excessive competition. I plan to practice rural health in a primary care field and TTUHSC seemed to be a good fit for me and my values.

This scholarship will help offset the need for extra loans during this transition period from Lubbock to Amarillo. Not only does it benefit me financially, but it also encourages me in knowing that you believe in me and my passion for service towards my patients.

WHY I CHOSE TTUHSC...

The family environment of TTUHSC has allowed me to thrive, get the education and commitment that I need from an institution of higher education. To the faculty and staff of TTUHSC, I am more than just another white coat, I'm a living breathing individual that is not just the sum of my accomplishments, but a valuable member of a team and community.

Your support will provide significant financial relief by allowing my to pay in-state tuition. Being an out of state student, I was very concerned on how I was going to pay for my education, and you have taken that burden off my shoulders.

WHY I CHOSE TTUHSC...

The people and the atmosphere here are unparalleled, and after my interview, I knew TTUHSC was the place for me. I am so glad I made the right choice.
